Teaching activities and lectures

- In 2022, he was appointed honorary professor at the University of Wuppertal.
- Prof. Dr. Jörg Bornheimer is a lecturer at the University of Wuppertal for the Chair of Health Care in the Public Health module "Law in the Health Sector". An essential part of the lecture concerns hospital law, including hospital financing, nursing homes, MVZ, pharmacies, health insurance and competition law (UWG, HWG, AMG, LMIV etc.). In addition, he is a lecturer at the Hagen Law School for training lawyers specialising in insolvency law, with a focus on criminal law, corporate law and international insolvency law.
- He has given various lectures on hospital restructuring in the run-up to or as part of insolvency proceedings, including at the German Hospital Law Conference, at the DAV "Herbstklausur 2017" event, at a training event by Wolters Kluge Deutschland GmbH and at the Berlin Restructuring Forum by GÖRG. On the occasion of the 10th Handelsblatt (trade journal) annual meeting on restructuring in 2014, Prof. Dr. Bornheimer chaired a discussion panel on the topic "Hospitals and senior and nursing homes - how can a restructuring of these institutions succeed?" featuring experts in the sector. He also gave a lecture on the restructuring of pharmacies at the health authority pharmacies conference in Münster.
