GÖRG / BWLS advise Vorsprung Group with regard to the acquisition of Schrader Umweltmanagement AG

A GÖRG / BWLS team led by Prof. Dr. habil. Günther Strunk and Paul Caesar Rode has advised the partners of Vorsprung Group with regard to its acquisition of Schrader Umweltmanagement AG.

Founded in 1901 and headquartered near Hamburg, Schrader Group is a leading company in the forestry and tree nursery sector. Several generations have successfully led the family-owned business to where it stands today: With seven locations and one of Europe's largest tree nurseries it makes a valuable contribution to the domestic reforestation efforts and the fight against climate change.

Being highly committed to ESG principles and sustainable forestry, Schrader Group is a perfect fit for Vorsprung's portfolio philosophy.
